

Discovery Tiles

Equipment

- Sealable bag
- Paint
- Scrabble Tiles
- Sellotape

Instructions

- In a **sealable** sandwich bag, pour in some paint
- Add in some scrabble tiles (these can be random tiles, or tiles that spell out words - try and ensure all the tiles are facing upwards)
- Seal the bag
- You may chose to Sellotape the bags to the table to stop movement
- Push paint around to expose the tiles and move the tiles about
- Count the amount of tiles in the bag, spell the words by moving the tiles into the correct order or add up the sum of the letters by adding the numbers at the bottom of each letter tiles
